Public Notice # 15-064-CM-C

Date: December 9, 2015

NOTICE OF A DRAFT AIR CONSTRUCTION PERMIT

**CATERPILLAR HYDRAULICS
650 JEFFERSON ROAD
SUMTER, SOUTH CAROLINA
(SUMTER COUNTY/ PEE DEE REGION, SUMTER EQC OFFICE)
AIR PERMIT NO. 2140-0139-CA-R2**

Caterpillar Hydraulics has applied to the SC DHEC for an air construction permit to request a revision for its existing facility. A draft permit and Statement of Basis have been written by the BAQ outlining this proposed project and applicable regulations. This permit will enable the facility to construct and operate in compliance with state and federal air quality regulations. The draft permit has not yet been approved and is open to comment from the public and the United States Environmental Protection Agency (EPA).

Caterpillar Hydraulics manufactures and assembles hydraulic components, in addition to painting those parts. The facility is requesting to modify its existing Construction Permit No. 2140-0139-CA, issued on July 19, 2013, to update descriptions of equipment, identify corrected modeling data, and remove equipment items listed in the original permit. If this permit is approved, federally enforceable facility-wide limits of less than 100 tons per year (TPY) of Volatile Organic Compounds (VOC), less than ten (10) TPY of individual Hazardous Air Pollutants (HAP), and less than 25 TPY of total HAP will be established. These limits will enable the facility to be below Title V major source thresholds.

If approved, and upon issuance of the draft construction permit, the facility may obtain a Conditional Major Operating Permit from the BAQ with no additional public comment period, unless a significant change in the original construction permit has occurred. All emissions limitations and conditions in the draft construction permit have been written to ensure that this facility operates as a Conditional Major Source.

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by the close of business, which is 5:00 p.m., on January 7, 2016, to David Meekins at the above DHEC address or by e-mail at meekindr@dhec.sc.gov. All comments received by 5:00 p.m., on January 7, 2016, will be considered when making a decision to approve, disapprove, or modify the draft permit. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to David Meekins at the above DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given thirty (30) days in advance. If you have questions concerning the draft permit, please contact Stephanie White at the phone number listed above. A final review request (appeal) may be filed after a permit decision has been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through, January 7, 2016, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Pee Dee - Sumter EQC Office, 105 N. Magnolia Street, Sumter, SC 29150 at (803) 778-6548

Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed above. Copies of a draft permit or other related documents may be requested in writing at a \$.25 per page charge. Please bring this notice to the attention of persons you know will be interested in this matter.

This public notice, along with the draft permit and Statement of Basis, may be viewed through January 7, 2016, on DHEC's website at: <http://www.scdhec.gov/PublicNotices/>
